## “QUESTION TIME FOR NEUROLOGY:

### Continuum of Care”

Registered CIO No. 1168259

## When? Where? Why?

**Monday 26th February 12noon to 4pm**

**Sandwell Park Golf Club, Birmingham Road,  
West Bromwich, B71 4JJ**

### Question Time

If you know what it's like to live with a neurological or neuromuscular condition this is for you. Perhaps you have a condition yourself, or you know someone who does, or you work with people who have one, or simply have a general interest.

A panel comprising health and social care professionals from Sandwell will tell us about their role in supporting people with long term and complex needs.

Our panel will include a Speech Therapist, Occupational Therapist, a Palliative Care Consultant, a representative from Sandwell Carers Centre and a Consultant Neurologist.

You will be able to discuss with others how what you've heard from the panellists relates to your own experiences. and then with the group help to prepare some questions about any aspect of care for people with Neurological Condition which the Panellists will respond to.

There is no charge for this event, which will begin with a light lunch.
